21. Which of the following objectives do you anticipate your project will address, based on "best practices"? (You must choose at least one and write an outcome statement related to this/these objective(s) below.) \*

Best practices are defined as "strategies, activities, or approaches, which have been shown through research and evaluation to be effective in the prevention and/or delay of substance use/abuse."

- Implement evidence-based substance use prevention programs with children/youth
- Provide community-based programming and education that assists in building skills in parents and/or youth to decrease risk factors and increase protective factors for safe alcohol use, substance use or underage drinking.
- Provide training for or development of peer support programming
- Provide services that aid in reducing barriers to treatment.
- Educate youth or adults on safe alcohol consumption practices.
- Provide staff development training regarding trauma-informed practice, prevention, ethical treatment or cultural competence in serving individuals with or at risk for alcohol or substance use concerns.
- Provide school-based programming that assists in building skills in parents and/or youth to decrease risk factors and increase protective factors for safe alcohol use, substance use or underage drinking.

22. How will you measure the success of this project? Please list at least two outcome statements related to this project. \*

Example Outcome Statement: DAC will reach 60 youth at the 4th, 5th, & 6th grade levels through Too Good For Drugs programming, which will run for 10 weeks, twice annually, with 80% of participation by youth in programming.

⋮

23. Which problem statement(s) would you be aiming to address? \*

This can be more than one but must be at least one.

- Youth are at low protection for School Rewards for Prosocial Involvement compared to their peers across the nation.
- Youth struggle with feelings of sadness, hopelessness, or suicidal ideation.
- Attention, emphasis, and media coverage is focused on antisocial behaviors and negative aspects of youth and their actions.
- Alcohol use and misuse is a problem within the county.
- Individuals within the county have a low perception of the risks of substance misuse.
- Individuals in the county report a higher than average favorable attitude towards substance use.
- Low protection indicates a higher risk for alcohol and other drug use, among other problem behaviors.
- Anti-social behavior increases community issues such as crime, delinquency, property damage, substance use, and teen pregnancy.
- Poverty and community violence exacerbate anti-social behaviors, and decrease the presence of positive social norms that promote empathy, altruism, and civic responsibility.

24. Please check below indicating an understanding the following requirement: \*

- Funding must include programming elements that address alcohol, prescription drug misuse, or illicit drug use in some way (prevention, intervention etc.)

25. The items below constitute requirements that will be included in your MOU, should you be awarded funding for this project. \*

You must check all requirements below to be eligible for funding.

- Attend at least seven meetings of DAC (details of DAC's committees and their meetings are available on the DAC website at [www.dacac.org](http://www.dacac.org) under 'Committees & Meetings') and participate in committee-sponsored events.
- Participate in community-wide data collection as requested, including success stories, as requested.
- Attend at least one of the following: DAC Annual Meeting/Fall Conference, Spring Conference and/or DAC Holiday Party.
- Acknowledge the Drug and Alcohol Consortium of Allen County as a supporting organization in all media releases and printed materials related to this project.
- Complete and submit a midpoint progress report (due the last business day of August) and final report (due on the last business day of February).
- Maintain generally accepted accounting procedures to provide accurate and timely recording of project-related receipts, expenditures, and unspent funds.
- Submit receipts for any approved equipment purchases.
- Participate in community-wide data collection as requested.
- Be prepared for scheduled or unscheduled site visits to the program during the course of the grant period for auditing purposes.
- If the recipient agency fails to meet any of the requirements, they will be ineligible for funding for the remainder of the grant cycle (annually April to March) and the next available grant cycle.

26. Enter the name and credentials of the authorized representative in the text box below; this entry is considered an electronic signature as defined below. \*

By submitting an electronic signature, you are providing an electronic mark, that is held to the same standard as a legally binding equivalent of a handwritten signature provided by you. This does not oblige the signor to the requirements of the MOU items above until an official MOU is agreed upon by both parties (DAC & Grantee).

27. How did we do on this Request for Proposal format? \*
